FIREPLACES
Our name is our promise.

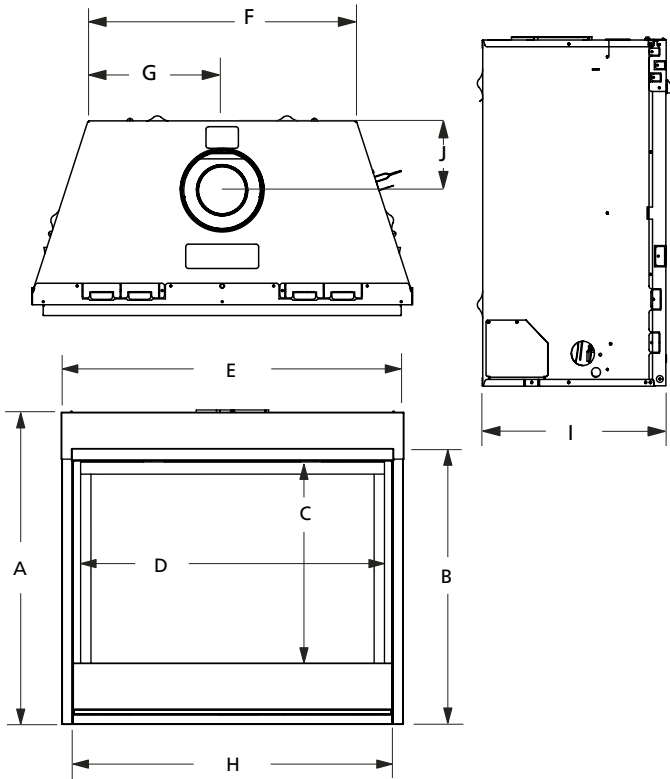

TRADITIONAL

The DRT2000 Series offers excellent value without compromising on quality or design. These fireplaces offer an array of standard features, increased performance and state of the art technology to ensure many years of beauty and warmth.

FEATURES

-  Available in a dedicated top or rear flue configuration (45" model is a combo top/rear)
-  Standard black painted interior
-  Durable powder-coat finish creates scratch-resistant surfaces and carefree handling
-  All models are heater-rated with increased heat efficiencies and lower operating costs
-  Clean face heat circulating design allows an optional blower
-  Built-in barrier for added safety
-  Ignition systems available in either millivolt or energy saving electronic ignition with seamless battery back-up
-  Operates during power outage
-  20 year limited warranty

IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

OPTIONAL ACCESSORIES

Black Interior
(standard)

Buff

OPTIONAL ACCESSORIES

- A. Ceramic fiber interior liner kit available in a Buff finish
- B. Remote or Wall Mounted controls
